

SHOOTING RESULT OF ANNIS MURDER

Jury Resented Taunt at Services
in Clearing Hains of
Charge.

STARTED FAMILY FEUD

Leroy Amory, Who Shot Cousin,
Is Released on Bond of
\$2,500.

(Special to The Times-Dispatch.)
HAMPTON, VA., March 3.—Leroy Amory, who shot Robert Amory, in York county yesterday, was this afternoon released from custody on twenty-five hundred dollars bond. Robert Amory is still alive, although the physicians entertain very little hope for his recovery.

The two men involved in the shooting are double first cousins, and not brothers, as the report received here yesterday stated. They were raised together and this caused the belief that they were brothers.

It is understood that the trouble was the outcome of a quarrel between Robert in which the latter made ugly accusations against the former. Leroy Amory was a member of the jury that acquitted Thornton Jenkins Hains of murdering Ned Hannigan at Port Monroe many years ago. When Hains was arrested in New York for complicity in the Annis murder it is claimed that Robert Amory sent a letter to Leroy in which he informed Leroy that he was needed in New York to help Hains out of another murder.

Since then the two men have been at daggers point and yesterday's shooting followed another bitter quarrel. Leroy claims self-defense.

DRUGGIST KILLS HIMSELF.

Ben F. Eubank Sends Bullets Through His Heart.

(Special to The Times-Dispatch.)
VIRGINIA, VA., March 3.—Ben F. Eubank, who owned the first drug store in this town, committed suicide at his home about 3 o'clock this morning by sending a pistol bullet through his heart, dying almost instantly. Mr. Eubank had decided to remove to Elizabeth City, N. C., and had shipped his stock of goods to that place. He was attending to the shipping of his furniture when he committed the rash act. Insanity is supposed to have been the cause. Mr. Eubank had been in the hospital for some time, and had been discharged as cured.

He was born in August, 1879, and was married to Miss Maud Shepherd, a daughter of W. H. Shepherd, of South Boston, who, with six children, survives him.

HELD FOR ABDUCTION.

Brooklyn Man Finds Himself in Serious Trouble.

(Special to The Times-Dispatch.)
NORFOLK, VA., March 3.—Charles Puggan, alias Charles Voss, was ordered held for trial to enter morning by Justice Simmons, on the charge of abducting Miss Mary Roberts, of Brooklyn, from her home, bringing her to Norfolk and attempting to get her to enter a house of ill repute. When first arraigned on the charge Puggan denied the claim of the girl that he had tried to get her to enter such a resort, but when closely pressed, and when the girl, angry at his denial, told everything, he admitted the charge, although denying it was a case of abduction. "You know you did, Charlie—and Voss is not your name, is it? Why don't you tell them what your right name is?" asked the girl indignantly. It was then that the defendant admitted his name was Puggan, and that he was the son of a Brooklyn grocer.

FOR GOOD ROADS.

Sussex Citizens Actively Take Up the Campaign.

(Special to The Times-Dispatch.)
SUSSEX, VA., March 3.—An enthusiastic meeting of prominent citizens of Sussex yesterday was held in the courthouse to organize a County Good Roads Association. Hon. Charles Trotter Lassiter made an able address, and was followed by Wm. M. Powell, of Greensville, and Wm. B. Cooke, of Sussex. An address was also given by a prominent business man of the county, R. F. Moss, vice-president of the State Association, for Sussex county, president, and Thomas H. Howerton, of Waverly, was made secretary. It was ordered that the vice-presidents appoint five men from each district of the county to look after the interest of the organization. It is believed that this move will result in benefit to the county in the improvement of its roads.

Barn Is Burned.

(Special to The Times-Dispatch.)
NEW CHURCH, VA., March 3.—A large barn belonging to Sidney Townsend, who resides two miles north of this place, was totally destroyed by fire at a late hour last evening, together with a large quantity of hay, and fodder. Six valuable horses, farm implements and wagons which were stored there were saved.

Horse-Stealing Charged.

(Special to The Times-Dispatch.)
SUSSEX, VA., March 3.—A capias has been issued by Judge West and Sheriff Prince has been sent to Petersburg to bring to this county for trial Charles Johnson and Robert Scott charged with stealing a horse belonging to J. R. Hollingsworth, of Waverly, Sunday night. They were found with the horse in Petersburg, and have been lodged in jail at that place.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations. It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an invigorating remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients are of its outside wrapper. Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

CASTORIA

for Infants and Children.

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. It cures Worms, Colic, Stomach and Bowel Disorders, Diarrhoea and Wind Colic. It relieves Teething Troubles and cures Constipation. It regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

News of Petersburg

Times-Dispatch Bureau,
104 North Sycamore Street,
Petersburg, Va., March 3.

Mrs. Shelton Chivers, secretary of the Ladies' Memorial Association, was yesterday advised of an appropriation of \$300, by the General Assembly of South Carolina, for the installation of a memorial window in Old Blandford Church "to commemorate the heroism of those Confederate soldiers who lost their lives in the battles around Petersburg during the War Between the States, and lie buried in the cemetery near said church." The window will cost \$400, but the Daughters of the Confederacy only asked \$300 of the Legislature, promising to raise the balance of the sum among themselves. A commission to provide and install the window was appointed by the Legislature.

There is a place in the historic old church for a memorial window to be installed in each southern State, in memory of its Confederate soldiers buried in Blandford Cemetery, and the Ladies' Memorial Association is quietly working to have each State to erect this sacred memorial. Four States have already responded—Virginia, Georgia, Louisiana and Missouri. The windows each cost \$400, are all of like design, save that each will bear the coat of arms of its State and a separate inscription. They are all made in New York, and each will bear the life-size figure of an Apostle. Virginia selected St. John as her Apostle. Maryland has also contributed a handsome memorial to her dead, and it is hoped the day is not far distant when every Southern State whose dead are numbered among the heroes buried in Blandford Cemetery will have its memorial window installed in the old church.

The City's Proposition.
In the Council last night, Mr. Mattox, from the Special Passenger Station, reported on a proposition of the Norfolk and Western Railway Company, to build a new passenger station and make other improvements along Second and River Streets, submitted a report. The committee recommends an appropriation of \$75,000 for paving and sewerage improvements on the streets contiguous to the proposed new station, the Norfolk and Western Railway Company or other railroad company interested in the proposed improvements desired by said companies, in excess of said appropriation, including any and all damages to abutting property occasioned by the raising of grades of said streets; the railroad companies to have the privilege of raising the grade of their tracks to the elevation proposed by the Norfolk and Western Company. The report was referred to the Finance Committee. The railway company in its proposition to erect a \$50,000 passenger station at Second and River Streets threw upon the city the heavy cost of raising the grades of these streets two or more feet, rendering the city liable for damages to abutting property.

Mr. Stratton brought to the attention of the Council a communication touching certain changes in the city charter, not authorized by the Council, made by the last General Assembly, and raising a question as to the terms of all city officers elected by the Council—whether for terms of two or four years. The matter was referred to the City Attorney, and a committee composed of Councilmen Gilliam and Hamilton, and one member of the Board of Aldermen, with instructions to report at the next meeting of the Council. The matter involves questions of much importance, and all doubt should be removed at once.

Wanted in Two Places.
Two negroes, Robert Scott and Chas. Johnson, are in the hot water, having been sent to the Hustings Court to be tried for horse-stealing. The horse was stolen near Waverly, was brought to this city, and offered for sale, and the parties were arrested here, yesterday in the Circuit Court of Sussex. The negroes were indicted by the grand jury. The question is, whether the negroes will be tried in Petersburg or Sussex.

The first thunderstorm of the season occurred here this afternoon. The clouds were so black as for awhile to throw a pall of darkness over the city. At 3:30 o'clock all business houses had to be lighted and the

ALUMNI OF V. M. I. HAVE A BANQUET

Stirring Scenes of Civil War Recalled by Postprandial Speakers.

BALTIMORE, MD., March 3.—Stirring scenes during the early stages of the Civil War were recalled last night at the first annual banquet of the Virginia Military Institute Alumni Association, held at the New Howard House. Captain Henry A. Wise, on whom devolved the command of the cadets at the battle of Newmarket after Colonel Philip made the cadets follow, and the description of the part the young soldiers took in that memorable fight. He told of their march to the front and courageous manner in which they attacked the Federal troops and drove them from a ridge, turning the tide at a crucial moment.

Captain Wise took occasion to dispute the claim of Colonel George Smith in a recent paper that the regulars led the way in the battle of Gettysburg, and furnished proof that the reverse was true. It was an interesting narrative throughout, and received the close attention of the veterans and those who graduated since the Civil War.

The dinner was a most enjoyable affair. Major Randolph Barton, the president of the association, acted as toastmaster, and made a happy address, in which he heartily approved of the gathering of the alumni at stated periods.

Others who responded to toasts were: Dr. William D. Scott, to "The Younger Generation," John W. Houck, to "The V. M. I. Before the War Between the States," Spencer L. Carter, to "Recollections of the V. M. I. After the War Between the States," and Major Joseph R. Anderson, to "The V. M. I. Alumni."

Everywhere were the colors of the Virginia Institute. The flowers, bands and menu cards and flags were everywhere. The present were: H. Greenway Albert, Major Randolph Barton, Montague Blundon, Howard Bruce, Spencer L. Carter, A. C. Cantelero, W. D. Wilson, Philip A. Garcia, H. H. Hamill, John W. Houck, Charles Johnson, John Loney, Lee L. Lowman, C. C. McCabe, Marshall M. Milton, N. E. Paine, Robert E. Parrish, Dr. William D. Scott, E. Griswold Thelin, C. O. Vandewater, Dr. W. E. Wiegand, Captain Henry A. Wise, Major G. M. Thomas, Charlotte, Md., Major R. W. Silvester, College Park, Md., Henry G. Shirley, Towson, Md., Scott L. Heflinger, Annapolis, Md., Lieutenant A. G. Campbell, United States Army; Lieutenant F. B. Dowling, United States Army; Lieutenant H. M. Howard, United States Marine Corps; Major Joseph R. Anderson, Lee, Va., president Virginia Military Institute Alumni Association; W. N. Brown, Galveston, Va.; W. F. Watson, Centerville, Md.

Charge Is Withdrawn.

(Special to The Times-Dispatch.)
ALEXANDRIA, VA., March 3.—The charge of stealing a diamond ring, valued at \$100, from the home of Fairfax county, Va., by Charles W. Simpson, was to-day withdrawn, and Dove was acquitted. The pin, valued at \$100, was recovered.

Elects Officers.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., March 3.—Falmouth Anti-Saloon League has elected the following officers: President, W. E. Brooks; vice-presidents, Nelson Berry, Willie England, R. S. Tyson and R. A. Sullivan; secretary, W. J. McCalley; treasurer, F. K. Tyler.

Pleased by the News.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., March 3.—Those who allege that they were swindled by R. A. McCray a few days ago are delighted to hear to-day of his arrest.

Don't Use Carbolic

One of the most dangerous things to use in the home is carbolic acid, a poison which is used by many as an antiseptic and disinfectant. In spite of the fact that a slightest error in handling this liquid might cause serious injury or even death, it still remains in many homes, often within easy reach of children who do not know of its dangers.

An excellent substitute for this dangerous acid is CN disinfectant. It is non-poisonous, absolutely harmless, and in all cases better than carbolic acid.

You will also find CN very economical, besides killing disease germs it will keep your home free from insects.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product, has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed, because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States, in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

rest in Baltimore. As there are a number of charges against the man here, it is expected that he will be brought here for trial, before the Baltimore authorities handle him. Sergeant Chichester is in communication with the Baltimore authorities and will probably go for the prisoner and bring him here.

COURT IN SESSION.

Number of Important Cases Will Be Heard at This Term.

(Special to The Times-Dispatch.)
SUSSEX, VA., March 3.—The March term of the Circuit Court of this county was convened yesterday and will probably be a lengthy term. The cases against W. H. and W. T. Flowers, charged with illicit sale of liquor, was argued by Wm. B. Cooke, for the State and Mr. Southall, of Emporia, for the defense.

The case of William Albert and Norman Powell, charged with breaking in a car of the Atlantic Coast Line at Stony Creek, was tried and they were sentenced to two years each on the State convicts road farm. Normal Powell was also tried on a charge of breaking into the store house of E. W. Cobb, of Stony Creek, and was given one year. George Cox, charged with breaking in a store at Waverly, was given one year on the roads.

There are several other cases of interest to be heard during the term.

IMPORTANT MEETING.

New Kent Supervisors Will Consider Bridge-Building.

(Special to The Times-Dispatch.)
ROXBORO, VA., March 3.—The Board of Supervisors will meet at the courthouse Tuesday. A full attendance of the members is expected. The meeting will be of financial importance to the tax-payers. The plans and specifications for remodeling and beautifying the old county seat is to be considered, and the building of a new bridge over the Crook road, near Roxbury, where the old bridge now stands in a dilapidated and dangerous condition. Both will cause a heavy outlay of county funds.

At the same time an experienced road overseer is to be appointed. There are two applicants for the position. J. W. White and W. R. Ruckles, both experienced road builders.

Looks Like Gillespie.

(Special to The Times-Dispatch.)
BRISTOL, VA., March 3.—Representative C. B. Slem, of the Ninth District, is expected home in a few days, when it is expected that the Republicans will expect plans for a convention to nominate a candidate for Governor of Virginia. Little information is obtainable as to the sort of a temperance plank to be adopted by the Republicans, although there is a strong sentiment in this end of the State in favor of adopting a State-wide plank.

Plants Probably Killed.

(Special to The Times-Dispatch.)
CHATHAM, VA., March 3.—Tobacco sales this week have been very good, and prices are satisfactory. Some farmers who had plants up fear that the heavy frost of Monday morning killed them.

Going to Inauguration.

(Special to The Times-Dispatch.)
BRISTOL, VA., March 3.—Southwest Virginia will be largely represented at the inauguration in Washington. Many men and women left yesterday and today, and in order to accommodate the crowd it was necessary for the Norfolk and Western and Southern Railways to run extra sections of all regular passenger trains.

Mecca for Sightseers.

(Special to The Times-Dispatch.)
ALEXANDRIA, VA., March 3.—Hundreds of tourists are expected to visit this city and looked over the points of interest. Both trains and steamers also carried large crowds to Mount Vernon, which was the Mecca of the sightseers.

Joint Educational Conference.

(Special to The Times-Dispatch.)
MANASSAS, VA., March 3.—Dr. Ormond Stone, of the University of Virginia, and Principal J. D. Harris, of the Warrenton High School, vice-presidents of the State Teachers' Association for the Seventh and Eighth Congressional Districts, respectively, have issued a call to the teachers, di-

vision superintendents, school trustees and all others interested in public education to meet them in joint conference at Manassas, Va., beginning at 2:30 o'clock, March 25, and closing on Saturday at noon, March 27. The object of this conference is to bring together as far as possible the forces of public education for a free, full and frank discussion of a number of vital questions of public education. A splendid program has been prepared, and the best talent obtainable has been secured.

Missionary Institute.

(Special to The Times-Dispatch.)
BRISTOL, VA., March 3.—The Methodists of the Abingdon district, Southern Church, are holding a missionary institute here, which will continue until to-morrow evening. The opening sermon was preached by the Rev. J. B. Walker. Most of the pastors of the district are in attendance. The reports of the Rev. G. H. Houshelt, who came home from Korea to raise \$50,000 within the bounds of the Holston Conference this year for foreign missions, show that he has been securing subscriptions in Southwest Virginia and

East Tennessee at the rate of about \$1,000 a week. Major A. D. Reynolds, of Bristol, contributed \$1,000 to this fund.

PORTRAITS PRESENTED.

Gifts Made to William and Mary by Major Cabell.

(Special to The Times-Dispatch.)
WILLIAMSBURG, VA., March 3.—Major Henry L. Cabell, formerly of Virginia, but now of North Dakota, has presented to William and Mary College two splendid portraits of William H. Cabell and Joseph C. Cabell, William Cabell was Governor of Virginia in the early part of the last century, and subsequently judge of the Supreme Court of the United States. Joseph Cabell was a friend of Thomas Jefferson in establishing the University of Virginia. Both were students of William and Mary. These portraits will adorn the walls of the new library building at the college. Another addition is the splendid collection of Indian relics at William and Mary, loaned by H. H. Tradmore, of Jonesville, Va. The collection is estimated to contain 2,000 pieces, illustrating every phase of Indian life.
